

DELTA 5-90 F HIGH COVERAGE VEST

The Delta 5-90 F high coverage tactical over vest has a full Molle system with adjustable shoulders and sides. The side straps are protected by the front flap which creates a larger surface area for more Molle to be added.

The Molle system makes the vest versatile when attaching accessories such as magazine pouches, holsters and various other pouches creating flexible positioning preferences for the end user. This comfortable vest can be worn everyday all day.
